CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2019

1. Nature of operations:

Camosun College (the "College") is a post-secondary educational institution funded by the Province of British Columbia (the "Province") and incorporated under the College and Institute Act of British Columbia. The British Columbia Ministry of Advanced Education (the "Ministry") provides the principal source of funding. The College is governed by a Board of Governors, the majority of which are appointed by the provincial government of British Columbia. The College is a registered charity and is therefore exempt from income taxes under section 149 of the Income Tax Act.

2. Significant accounting policies:

(a) Basis of accounting:

The financial statements have been prepared in accordance with Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia supplemented by Regulations 257/2010 and 198/2011 issued by the Province of British Columbia Treasury Board.

The Budget Transparency and Accountability Act requires that the financial statements be prepared in accordance with the standards and guidelines that comprise generally accepted accounting principles for senior governments in Canada, or if the Treasury Board makes a regulation of standards and guidelines that comprise generally accepted accounting principles for senior governments in Canada as modified by the alternate standard or guideline or part thereof adopted in the regulation.

Regulation 257/2010 requires taxpayer supported organizations in the Schools, Universities, Colleges and Hospitals sectors to adopt Canadian public sector accounting standards without any PS4200 elections.

Regulation 198/2011 requires that restricted contributions received or receivable for acquiring or developing a depreciable tangible capital asset or contributions in the form of a depreciable tangible capital asset are to be deferred and recognized in revenue at the same time that amortization of the related tangible capital asset is recorded.

For British Columbia tax-payer supported organizations, these contributions include government transfers and externally restricted contributions.

The accounting policy requirements under Regulation 198/2011 are significantly different from the requirements of Canadian public sector accounting standards which requires that:

- x government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410 Government Transfers; and

Tuition and student fees and sales of inventory are reported as revenue at the time the services are provided or the products are delivered, and collection is reasonably assured. Fee for services revenues and expenditures are recognized as activities are performed, using the percentage of completion method. Provision for all anticipated losses is made in the period in which they become evident.

Unrestricted contributions, donations and grants are recorded as revenue when receivable if the amounts can be estimated and collection is reasonably assured.

Board of Governors
Executive Committee
BRIEFING NOTE

SUBMITTED BY: Ron Rice, Board Chair, and Sherri Bell, President
DATE: June 10 2019
TOPIC: G-1.3 Board Decision Making Policy Timing of Chair Election

For Information: For Decision: X For Discussion:

1. OVERVIEW

The Crown Agencies and Board Resourcing Office (CABRO) spread board member appointments throughout the year in the past. In the future they intend to appoint all board members by July 31.

In accordance with the Board of Governors policy 'G1.3 Board Decision Making', the chair of the board is elected at the inaugural meeting in September. The appointment of the outgoing chair ends on July 31. The result is that the board does not have a chair for the six weeks between July 31 and the inaugural meeting in September.

We propose that the board instead elect the incoming chair in June, and revise the 'Board Decision Making policy to reflect the change (attached) The outgoing Chair would then be present to preside over the election, and the new Chair could begin on August 1.

2. OPTIONS

1. Revise the policy to have the board chair election in June so that board chair is in place year round.
2. Continue to have the board chair election in September.

A. DEVELOPMENT OF GOVERNING POLICIES

1. Identification

While the Board does not delegate its responsibility for identifying and developing governing policies, it expects that the CEO and his/her staff (the "administration") will exercise the initiative in identifying and developing a policy framework and policy statements (principles) for the Board's consideration.

2. Development

The administration will manage the process of developing and drafting policy for the Board's consideration. Feedback will be acquired, appropriate to the governing policy. The statements presented to the Board will be those that have taken into consideration the current legislative, legal and financial limitations and the strategic directions of the College. The statements will be presented in consideration of the best interest of the College. Identification of the impact on the College will also be presented as will the concerns identified.

3. Adoption

The Board's responsibility is to review and adopt policies that are consistent with the College's mission and vision. The Board will also ensure that policies are consistent with applicable laws and regulations. The Board will also ensure that policies are consistent with the College's financial resources and are in the best interest of the College.

responsibilities by reviewing: i) financial statements that will be provided to the Government and other stakeholders, ii) the systems of internal controls established by management and the Board, iii) all audit processes.

3. Executive Committee (Terms of Reference)

The Executive Committee deals with matters relating to the Board's role as an employer, with student appeals, and with emergency situations. The Executive Committee will also receive policy proposals and direction from the Board and will establish ad hoc committees, as needed, to make recommendations to the Board on the development, approval, and revision of policies that are within the authority of the Board.

E. PROCESS FOR SEEKING ADVICE FROM EDUCATION COUNCIL

1. The Board Executive Committee will receive policy proposals from the Education Council and, as needed, establish ad hoc committees to vet policy proposals, and bring forward recommendations to the Board.
2. For the purposes of meeting the legislative requirement, the Executive Committee of the Board will first review forthcoming policy that falls under Section 23 of the College and Institute Act, "Advisory role of the education council," and will consider, reject, refer back, review for decision and when ready, forward the item to Education Council for its review and advice. The Executive Committee will report on its actions to the Board at the next Board meeting.

The Board, however, reserves the right to receive and consider the policy matter by the full board prior to seeking advice from Education Council.

3. The Board Executive Committee would normally expect to receive advice through the next regular meeting of Education Council. If the matter is not pressing, and Education Council needs more time to consider its advice, the Board would consider such a request. However, the Board may require that the Education Council respond in less time.
4. Unless another agreement is in place, the Board will seek a written response from Education Council.

F. BOARD MEETINGS

1. Conduct of Board Meetings: The conduct of Board meetings will normally be governed by Robert's Rules of Order.
2. Attendance: The College and Institute Act stipulates an attendance requirement for members of the Board. ("Where a member of the board has not attended three consecutive regular meetings of the board, he/she shall no longer be a member of the board unless excused by a resolution of the board.d u-6.6 (he [boa]10.Sd .boad u-6.6 (he [boa]10.Sd .bo3 .bo3 .bo3
